## RIVIERA NEWS

For the benefit of the people of the community we feel that an explanation is due you concerning our activities the coming year.

The Riviera Athletic Association has no officers, as a matter of fact it is actually a part of the Anne Arundel Athletic Association, most of the boys holding a membership therein.

Since this group is composed mostly of veterans who have been overseas, but who played football before joining the armed forces, we decided to play under our old banner of Riviera A. A.

This year we purchased about \$1,000 worth of equipment and will field one of the finest equipped teams in the league.

The profits we derive from this program will go to defray these expenses and the A. A. A. treasury will not be touched.

We would like to publicly thank Mr. O'Roark, of O'Roark's Restaurant, for erecting the lights behind his restaurant so we might practice at nite.

All the electrical work was donated by Mr. Sipe and Mr. O'Roark is footing the electric bills.

Hats off to a couple of real community boosters.

---

The football team this year will be in one of the best leagues in Baltimore and should furnish many a thrilling Sunday afternoon. The games will be played at home and away. Arrangements may be made with one of the team members for transportation to and from the games on Cook's Bus, which we will use.

Our 14-16-year-old ball team are now in the Cardinal Gibbons play-offs. Special awards are to be made tonite.
