THANK YOU TINA & BEAU

With REGRET the board of RCIA has accepted the resignation of Tina Bjarejull who as been Treasurer of the Association for the past several years. We want to THANK Tina for an outstanding job, she will be missed.

Also, we would like THANK Beau Bjarejull who recently stepped down from the Erosion Committee. Beau has guided and directed the Erosion Committee, his job became more difficult after Isabel did her damage to the community. Beau's time and efforts have been appreciate. Beau will continue as Web Master to the RCIA Website for the next year. THANK YOU BOTH AGAIN.

PLEASE NOTE

There will be no Community Meetings or RCIA Board Meetings June, July or August. Keep in mind board members will be available if you have any issues or concerns during the summer months.

IMPORTANT NOTICE

BEWARE it is illegal to put anything on community property. It has come to our attention at some residents living on the Riviera Walk (along the water) are encroaching on community property, by putting there personal property on community property. Please remove any personal belongings on community property. If this trend continues we will be forced to take further action.
