Erosion Committee

The erosion committee meets the Monday before each RCIA general meeting at the Riviera Beach Firehouse (RCIA general meetings are held the third Tuesday of each month). During our meetings projects are proposed, discussed and prioritized. The funding for the erosion budget is derived from a special tax assessment levied by the county on homeowners in our erosion district. Once collected, these funds are dispersed back to the erosion committee as we execute projects outlined in the budget approved by residents. Our meetings are open and everyone is welcome to attend.

RCIA is currently pursuing a legal remedy to fix a failed and dangerous Bayfront erosion project and to try and recover money that was misappropriated. In conformance with our 2012 Erosion Budget as well as state and local rules governing the use of erosion funds, funds allocated for the purpose are paying for this lawsuit. The entire process is open and transparent. All submitted invoices are carefully reviewed by the county prior to disbursement of funds. We provide information and answers regarding the lawsuit at our monthly open meetings. Updates and documents regarding the lawsuit are posted on our website <http://riviera-beach-md.org/> and Facebook.

REPORT SUSPICIOUS ACTIVITY!!

The County Police confirm the need to call 911 and report suspicious activity taking place in our community when it is observed. The more information you can provide the better. If we don't call, they won't know. If you think you should call, you should.
